

**Position:** Environmental Scientist/Engineer

**Project Location:** Philadelphia

**Status:** Part-time

**Compensation:** Based on experience

### **JOB SUMMARY:**

Sci-Tek Consultants, Inc., a survey, civil, environmental and geotechnical engineering, and consulting firm is seeking qualified candidates to provide environmental consulting services inclusive of Phase I and Phase II Environmental Site Assessments, Soil, Stormwater and River Water Sampling, Asbestos and Lead Paint Surveys, and a wide variety of other duties to support environmental and engineering projects.

### **RESPONSIBILITIES:**

Perform environmental consulting services and other field tasks as assigned, in accordance with customer and regulatory requirements, and corporate standards. Prepare environmental reports and supporting documentation as directed.

### **MINIMUM QUALIFICATIONS:**

- Bachelors of Science Degree in a related science or engineering field.
- Excellent written and verbal communication and interpersonal skills.
- Proficient using Microsoft applications (Outlook, Excel, Word).
- Auto CAD and GIS skills are a plus
- Must possess valid driver's license and pass a background check and drug screen.

*Sci-Tek offers competitive compensation including health benefits and 401K Savings Plan, and is an equal opportunity employer that seeks to be a premier provider of innovative, value-added solutions to its clients' many challenges through the application of civil, geotechnical, and environmental engineering.*
