

Position: Civil Engineer

Project Location: Pittsburgh

Status: Full-time

Compensation: Based on experience

Sci-Tek Consultants, Inc., a civil, environmental, and geotechnical engineering and surveying firm is seeking a Civil Engineer having at least 5 years of experience in site civil and heavy highway design, permitting, E&S plans and stormwater management. The successful candidate will perform a wide variety of duties to support assigned projects, including coordination of topographic surveys and preparation of base plans, schematic designs, and detailed designs.

Position requires a Bachelor's Degree in Civil Engineering, proficiency in using Micro-Station, AutoCad Civil 3D, and Microsoft Office applications and must possess excellent written and verbal communication skills. Professional licensure is preferred, but not required.

Sci-Tek offers competitive compensation including health benefits and 401K Profit Sharing Plan, and is an equal opportunity employer that seeks to be a premier provider of innovative, value-added solutions to its clients' many challenges through the application of civil, geotechnical, and environmental engineering and surveying.

To apply, submit a cover letter and resume to:
