

**Position:** Civil Engineer

**Project Location:** Philadelphia, PA

**Status:** Full-Time (exempt)

**Compensation:** Based on experience

Sci-Tek Consultants, Inc., a civil, environmental, and geotechnical engineering and surveying firm is seeking a Civil Engineer having at least 3 years of experience in design engineering, permitting, and E&S and stormwater management plan development. Experience in the water and wastewater treatment, site development, aviation, or transportation industries is a plus. The successful candidate will perform a wide variety of duties to support assigned projects, including coordination of topographic surveys and preparation of base plans, schematic designs, and detailed designs.

### **Required Skills/Experience**

The position requires a bachelor's degree in Civil Engineering, proficiency with AutoCAD Civil 3D and Microsoft Office applications, and good written and verbal communication skills.

*Sci-Tek offers competitive compensation including health benefits and 401K Profit Sharing Plan and is an equal opportunity employer that seeks to be a premier provider of innovative, value-added solutions to its clients' many challenges through the application of civil, geotechnical, and environmental engineering and surveying.*

### **To apply, submit a cover letter and resume to:**
