

Position: Senior Civil Engineer

Project Location: Philadelphia

Status: Full-time

Compensation: Based on experience

Sci-Tek Consultants, Inc., a civil, environmental, and geotechnical engineering and surveying firm is seeking a Senior Civil Engineer having at least 8 years of experience. The successful candidate will perform a wide variety of duties to support assigned projects, including project management, design development, and client interface. Design development may include preparation of E&S plans; site layout, grading and stormwater management design; preparation of construction documents and permitting.

Position requires a Bachelor's Degree in Civil Engineering, proficiency in using AutoCad Civil 3D and Microsoft Office applications and must possess excellent written and verbal communication skills. Professional licensure is preferred, but not required.

Sci-Tek offers competitive compensation including health benefits and 401K Profit Sharing Plan and is an equal opportunity employer that seeks to be a premier provider of innovative, value-added solutions to its clients' many challenges through the application of civil, geotechnical, and environmental engineering and surveying.

To apply, submit a cover letter and resume to:
