

Position: CAD Designer

Project Location: Penn Hills

Status: Full-Time (nonexempt)

Compensation: Based on experience

Sci-Tek Consultants, Inc., a civil, environmental, and geotechnical engineering and surveying firm is seeking a CAD Designer to support engineers with site layout drawings and updating marked-up drawings using AutoCAD Civil 3D. The successful candidate will also research and obtain standards and codes required by client to develop plans and perform quality control reviews of drawings prior to publication.

Required Skills/Experience

- Associates Degree in Computer Aided Design or equivalent experience
- Proficiency in using AutoCAD Civil 3D to prepare base plan drawings, grading plans and detailed designs.
- Good written and verbal communication skills

Sci-Tek offers competitive compensation including health benefits and 401K Profit Sharing Plan and is an equal opportunity employer that seeks to be a premier provider of innovative, value-added solutions to its clients' many challenges through the application of civil, geotechnical, and environmental engineering and surveying.
