

Position: Sr. Civil Engineer

Project Location: Philadelphia, PA

Status: Full-Time (exempt)

Compensation: Based on Experience

Sci-Tek Consultants, Inc., a civil, environmental, and geotechnical engineering and surveying firm is seeking a Sr. Civil Engineer having at least 5 years of experience in site design, inclusive of grading design, erosion and sedimentation and stormwater plan preparation and permitting. Experience in the water and wastewater treatment, site development, aviation, higher education or transportation industries is a plus. The successful candidate will perform a wide variety of duties to support assigned projects, including coordination of topographic surveys; preparation of base plans, detailed designs, and construction documents; client interface; project management; proposal and budget preparation and business development

Required Skills/Experience

- Bachelor's degree in Civil Engineering
- Licensed Civil Engineer in the State of Pennsylvania is preferred
- Proficiency with AutoCAD Civil 3D or MicroStation
- Strong written and verbal communication skills.

Sci-Tek offers competitive compensation including health benefits and 401K Profit Sharing Plan and is an equal opportunity employer that seeks to be a premier provider of innovative, value-added solutions to its clients' many challenges through the application of civil, geotechnical, and environmental engineering and surveying.
