

Position: Sr. Civil Engineer/Project Manager

Project Location: Pittsburgh, PA or Philadelphia, PA office

Status: Full-Time (exempt)

Compensation: Based on Experience

Sci-Tek Consultants, Inc., a civil, environmental, and geotechnical engineering, and surveying firm is seeking a Sr. Civil Engineer with 10+ years of experience. The successful candidate will be expected to plan, manage, and deliver designs; assist with preparation of contract bids and contract negotiations; prepare and track project budgets and schedules; develop status reports; interface with clients, owners, and regulatory agencies; and ensure quality standards are met. Experience with grading design, utility coordination and design, stormwater analysis and design, erosion and sedimentation design, permitting, and report writing is preferred.

Required Skills/Experience

- Bachelor's degree in civil engineering
- PE registration (PA licensure preferred)
- Experience with leading technical staff and managing multiple projects, setting priorities, and meeting established budgets and schedules.
- Good verbal and written communication

Sci-Tek offers competitive compensation including vacation, sick and holiday pay; health benefits; and a 401K Profit Sharing Plan and is an equal opportunity employer that seeks to be a premier provider of innovative, value-added solutions to our clients' many challenges.
